Arts Alliance Opens New Solo Artist Exhibit at the Charles Regional Medical Center

Show Runs Through October 5, 2016

Gordon R. Johnson, Artist

Gordon R. Johnson was born and raised in Oxon Hill, Maryland. Growing up, he always had the desire to own his own business and enjoyed art, drawing, building and creating just about anything. Gordon soon found himself performing odds and ends home improvement jobs for his family and friends, and established his own home improvement business where he worked until retirement.

Once retired, Gordon began to think about hobbies and building a workshop for wood projects. Before he knew it, he found himself drawn to a few Bob Ross instructional videos on painting. The workshop quickly turned into an art studio, and he has been painting still life, seascapes and landscapes in watercolor, acrylic, oils...and loving it! Gordon continues his instruction under local art instructors and finding new inspirations to his paintings.

The gallery can be viewed online at [Medical Center Gallery](#). The artworks are available for purchase; Gordon can be reached at grrjohnson@aol.com.

The University of Maryland Charles Regional Medical Center Gallery is located at 5 Garrett Avenue, La Plata, MD. Gallery hours are 8:00 am to 8:00 pm, daily.

The mission of the Charles County Arts Alliance is to stimulate, promote, encourage and provide recognition of the arts and the creative spirit in Charles County.
