The MSAC's Artist in Residence (AiR) program provides grants to Maryland schools that cover half the cost of a teaching artist residency in a particular school. Maryland schools are invited

to browse the MSAC's AiR Roster to select an MSAC Artist in Residence. The school then applies for a grant from the MSAC that covers half the cost of the residency.

The AiR Program provides opportunities for hands-on intensive workshops involving a small core group of students and teachers over a number of days or weeks. A larger group benefits from additional activities including the artist's lectures, performances, and demonstrations, and through projects developed by classroom teachers with the artists' assistance.

Residencies are available in: dance, multi-discipline, music, puppetry, theater, playwriting, poetry, architecture, ceramics, doll making/puppet making, fiber arts, glass, handmade paper/books/artist books, media, mixed media, murals, photography, sculpture, site-specific installation, and two-dimensional art. The Woman in Cabin 10 by Ruth Ware. Lo Blacklock, a journalist who writes for a travel magazine, has just been given the assignment of a lifetime: a week on a luxury cruise with only a handful of cabins. At first, Lo's stay is nothing but pleasant: the cabins are plush, the dinner parties are sparkling, and the guests are elegant. But as the week wears on, frigid winds whip the deck, gray skies fall, and Lo witnesses what she can only describe as a dark and terrifying nightmare: a woman being thrown overboard. The problem? All passengers remain accounted for, so the ship sails on as if nothing has happened, despite Lo's desperate attempts to

convey that something (or someone) has gone terribly, terribly wrong.

The Immortal Life of Henrietta Lacks by Rebecca Skloot. Her name was Henrietta Lacks, but scientists know her as HeLa. She was a poor black tobacco farmer whose cells, taken without her knowledge in 1951, became one of the most important tools in medicine, vital for developing the polio vaccine, cloning, gene mapping, and more. Henrietta's cells have been bought and sold by the billions, yet she remains virtually unknown, and her family can't afford health insurance. This phenomenal New York Times bestseller tells a riveting story of the collision between ethics, race, and medicine; of scientific discovery and faith healing; and of a daughter consumed with questions about the mother she never knew.

The Readers of Broken Wheel Recommend by Katarina Bivald. Broken Wheel, Iowa, has never seen anyone like Sara, who traveled all the way from Sweden just to meet her book-loving pen pal, Amy. When she arrives, however, she finds Amy's funeral guests just leaving. The residents of Broken Wheel are happy to look after their bewildered visitor, there's not much else to do in a dying small town that's almost beyond repair. You certainly wouldn't open a bookstore. And definitely not with the tourist in charge. You'd need a vacant storefront (Main Street is full of them), books (Amy's house is full of them), and...customers. The bookstore might be a little quirky. Then again, so is Sara. But Broken Wheel's own story might be more eccentric and surprising than she thought.

The Maltese Falcon by Dashiell Hammett. A treasure worth killing for. Sam Spade, a slightly shopworn private eye with his own solitary code of ethics. A perfumed grafter named Joel Cairo, a fat man name Gutman, and Brigid O'Shaughnessy, a beautiful and treacherous woman whose loyalties shift at the drop of a dime. These are the ingredients of Dashiell Hammett's iconic, influential, and beloved *The Maltese Falcon*.

About the Charles County Arts Alliance, Inc.

The mission of the Charles County Arts Alliance (CCAA) is to stimulate, promote, encourage, and provide recognition of the arts and the creative spirit. Founded in 1987, the CCAA promotes ALL the arts in Charles County: music, visual art, drama, dance and literature.

The CCAA is the official arts council of Charles County and is recognized as such by the Maryland State Arts Council (MSAC), an agency of the Department of Business and Economic Development (DBED) of the State of Maryland. In this capacity, the CCAA serves as the "umbrella" organization for the arts community in Charles County. The CCAA promotes Charles County arts organizations and individuals, provides financial support to nonprofit organizations and the schools through its annual arts grant programs, sponsors the creation and presentation of new, diverse cultural activities and special events for the community, provides arts scholarships, and ensures the Charles County's underserved population, people with disabilities, residents with limited income, minorities, and senior citizens have access to the arts. The CCAA builds partnerships with local government, the business community and the educational community, in an effort to enhance the overall quality of life for the citizens of Charles County.
