COVID-19 Response from the Charles County Arts Alliance

In response to the recent state of emergency regarding the Coronavirus Disease (COVID-19), the Charles County Arts Alliance (CCAA) continues to follow announcements from Governor Larry Hogan and the Maryland Department of Health (MDH). For information about COVID-19 and updates regarding cases in Maryland, visit the MDH's COVID-19 [website](#) and the Centers for Disease Control and Prevention (CDC) [website](#).

Based on what we know now, the CCAA is taking the following steps:

- We will post the status of all arts events listed in the March 12, 2020, *Arts Newsflash* edition, as we receive new information, on our social media outlets.
- The Poetry on Stage/Writes Unite event scheduled for March 29, 2020 has been postponed and will be rescheduled for FY21, at a date and time to be determined later.
- We will regularly share resources as they become available over all our social media outlets to support the Charles County arts community.
- Our administrative staff will be teleworking from March 17 - March 27, 2020. They will be available virtually during our regular office hours, Tuesday - Friday, 9:00 am - 2:00 pm. Please send an email to info@charlescountyarts.org if you have any questions or concerns.

Be sure to follow us for additional information on how COVID-19 is impacting the arts community in Charles County.
